Definitions and Notes

Majors: Students with a declared primary, secondary major or pre-major within the department or program offering a course. All other students are defined as "non-majors".

CE: Non-state supported programs administered through the Division of Continuing Education. Effective Fall 2003, undergraduate and graduate enrollments are reported with school/college and department totals.

Note 1: Biostatistics and Epidemiology, Community Health Studies, and Environmental Health Sciences merged into the Department of Public Health in 2004.
