

University of Massachusetts Amherst Common Data Set Appendix, 2005-06

A. General Information

1. University Overview

The University of Massachusetts Amherst is a coeducational, major public research university located in a beautiful, culturally rich New England town. As a public university, UMass offers an excellent education at an affordable price. Its size, diversity, and the richness of its academic and extracurricular offerings, provide almost unlimited possibilities for personal growth and professional development. A distinctive feature of UMass is the opportunity for undergraduates to become directly involved in research, and get hands-on experience in numerous areas through internships or field experience. UMass also offers a wide range of service learning and volunteer opportunities. Academically talented students may participate in the Commonwealth College that offers both the advantages of a small honors college and the wide-ranging opportunities of a nationally recognized research university. As a member of the nation's oldest and most successful college consortium, Five Colleges Incorporated, which includes Amherst, Hampshire, Mount Holyoke, and Smith Colleges as well as the University, UMass students may take courses on any of the five campuses at no extra charge.

E. Academic Life

1. Average undergraduate class size Fall 2005

Lectures:	40
Labs and discussions:	24
All classes (lectures, labs, and discussions):	35

2. Computer Facilities

The campus offers centralized computing services through the Office of Information Technologies (OIT). All matriculated students are required to have an OIT Account. This Account provides students with access to: over 500 computers available for teaching and public use, a campus wide network accessible from residence halls, public buildings and off-campus, an email account, the campus online course management system, and the campus wireless network. Registration, grades, and student information are available online. The University also offers tools and training to faculty who wish to integrate technology into their curriculum.

3. Study Abroad

The University offers more than 70 domestic and international exchange programs in over 40 countries to more than 700 students each year. Programs are available in Africa, Asia, Australia, Canada, Caribbean, Ireland, Latin America, Russia and East Europe, Western Europe, Scandinavia, and the United Kingdom.

4. Honor Societies

National Honor Societies	>25
Honor Societies	40

5. Special Academic Programs

Commonwealth College, an honors college, offers a dynamic curriculum, including interdisciplinary seminars, enriched honors courses, and opportunities to link academics and community outreach. It offers students a small college environment with the resources of a major university. Commonwealth College resources include special housing opportunities, a computer laboratory, and academic support services, such as the Office of National Scholarship Advisement which assists students applying for prestigious fellowships. Also, students can participate in undergraduate research with the opportunity to present their work at an annual academic conference.

Unique majors include the *Bachelor's Degree with Individual Concentration*, through which students may design their own interdisciplinary major under faculty guidance.

University Without Walls (UWW) – This program offers non-traditional students an opportunity to earn flexible, individually designed B.A. or B.S. degrees which can be interdisciplinary in nature.

Residential Academic Programs allow students to combine living and learning experience through residentially based academic programs, such as: Talent Advancement Programs, which offer students in a particular major the opportunity to live and study together; Thatcher Language House - a unique opportunity to speak a foreign language and share cultural activities in a residence hall setting, available to students from freshman through senior year.

Other academic opportunities include national and international student exchange programs, internships and opportunities to engage in community service through a growing number of service learning courses in academic departments.

Students can enroll at no extra charge in courses at Amherst, Hampshire, Mount Holyoke, and Smith Colleges through the *Five College Consortium*. Five Colleges have open library borrowing, meal exchange, and a free bus system linking the campuses.

6. Selected Student Support Services

http://www.umass.edu/admissions/academics/Academic_Support_Services/

Learning Resource Center -Tutoring, workshops on learning skills, supplemental instruction, assistance with research and taking notes— the Learning Resource Center helps students hone those necessary academic skills.

Learning Commons -The UMass Amherst Learning Commons is located on the Lower Level of the W.E.B. Du Bois library. This space brings together library, technology, and other campus services in an environment that fosters informal, collaborative work, and social interaction.

Academic support services for ALANA (African, Latino/a, Asian/ Pacific Islander, and Native American) students:

Bilingual Collegiate Program (BCP) - provides many essential services to bilingual individuals interested in pursuing an undergraduate degree;

Committee for the Collegiate Education of Black and other Minority Students (CCEBMS) - facilitates the admission, development and graduation of students of color;

Native American Academic Support Services Program (NASS) - provides mentoring, personal counseling, academic advising, connections with indigenous communities and organizations;

United Asia Learning Resource Center (UALRC) - provides a variety of culturally sensitive support services to Asian and Asian American students.

Diversity in Management Education Services (DiMES) - The Isenberg School of Management sponsors DiMES. Its goal is to introduce more students of color to Isenberg's educational programs and to promote diversity within the school's community.

Multicultural Engineering Program (MEP) - MEP recruits traditionally under-represented minority students through visits to high schools in Massachusetts and college fairs nationwide, and by hosting an annual career day for high school students. To support students once they enroll in the UMass Amherst College of Engineering, MEP provides academic advising, tutoring, mentoring, and financial aid counseling. The program also works with students to find research, co-operative education, and internship opportunities during their college years, and jobs upon graduation.

Campus Career Network: helps students and alumni identify and pursue satisfying careers through a variety of programs and services; also offers programs to assist employers who are seeking talented students or alumni.

Commuter Services and Housing Resource Center (CSHRC): CSHRC provides a variety of services to UMass commuter students; the website is designed to make searching for off-campus housing and family programs easier; drop by the office for information about locker rentals on campus, how to register to vote, and other community issues.

Disability Services: helps students identify and obtain appropriate accommodations (academic or otherwise) to help them succeed at UMass.

Everywoman's Center: EWC's mission is to provide leadership in promoting educational access and equity for women, to empower women to take full control of their lives and to strengthen the connections among women.

Health Services: the campus health clinic, providing a variety of services including an emergency room, pharmacy, and primary care doctors.

Mental Health Services: provides a variety of mental health services including counseling, support groups, and referrals for both students and employees.

Student Employment: the central office for students to find employment both on campus and off.

Student Legal Services Office: provides no-cost legal advice for students.

University Child Care: University Child Care provides full-day and flexible-schedule child care services for children ages 15 months through five years. University students and employees are eligible to enroll their children in the program.
