Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Note 2: Undergraduate numbers include enrollments in Associate's Degree programs in the Stockbridge School of Agriculture.

Note 3: Master's includes Certificate of Advanced Graduate Study (C.A.G.S.) in the School of Education.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Note 2: Effective Fall 2009, the College of Natural Sciences (CNS) was established, bringing together most of the life sciences. CNS was a merger of most of the departments in the College of Natural Resources and the Environment (NRE) and Natural Sciences and Mathematics (NSM), which were eliminated.

Note 2: Effective Fall 2011, the Master's in Sustainability Science is offered as a interdisciplinary major.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Note 4: In Fall 2009, the Department of Psychology moved from the College of Social and Behavioral Sciences to the College of Natural Sciences.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Note 2: Students enrolled in the Joint MBA/MPPA program are reported in the School of Management.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Pre-Majors: All undergraduate Pre-Majors were eliminated as of Fall 2008.

Undergraduate Total: Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Prior to Fall 2003, duplication for some dual enrolled state-supported and CPE students may exist. Pre-majors are reported in the school college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2011.

Note 2: In Fall 2006, the name of the department and major was changed to Kinesiology from Exercise Science.
