‡SAT scores and high school ranks are not presented in cells with less than four entries

Note A. 25th - 75th percentile represents the range of scores for the middle 50% of students.

Note B. The numbers pertain to students who were processed through the Office of Undergraduate Admissions, submitted SAT scores, and were enrolled in a credit-bearing course at the end of the 14th calendar day of the semester. Students are categorized according to the school or college affiliation of the major into which they were accepted

Note C. Data are based on the Fall 2003 organizational structure of academic units and departments. Therefore, school or college totals may not be directly comparable to previous semesters and/or years due to the consolidation, reassignment, or suspension of selected academic programs
