Definitions and Notes

Sponsored Activity Expenditures: Restricted funds from federal, state, local, and private sources provided for special programs that enable members of the university community to do research, teaching, or service in their and the granting agencies' area of interest.

Direct Expenditures: Expenditures of sponsored activity as recorded on the financial records system in the noted fiscal year regardless of when the dollars were received.

Indirect Expenditures: Overhead expenses associated with sponsored activity.

All data reflect the organizational structure as of Fiscal Year 2008.

In FY 2003-04, expenditures are distributed proportionally among all Principal and Co-Principal Investigators associated with an award.

Beginning in FY2005, a small percentage of expenditures for new awards are based on actual distributions among PIs and Co-PIs.
