Note A. Some academic units have restricted the number of entering students, and many applicants are offered an alternate major. In the majority of cases, the alternate acceptance and enrollment figures do not represent acceptance or enrollment into that school or college, but acceptance or enrollment as an "Undeclared" Major.

Note B. Data are based on the current organizational structure of academic units and departments. Therefore, school or college totals may not be directly comparable to previous semesters and/or years due to the consolidation, reassignment, or suspension of selected academic programs.
