* Includes students with resident alien or immigrant status.

Note A. **Full-time student:** A student who enrolled for 12 or more credits in the first semester.

Note B. Graduation rates are cumulative and graduation status is reported as of the end of the sixth year after initial enrollment. Some students graduate after that point but are not included in this summary.

Note C. Race/Ethnicity is based upon students' voluntary self-report.

Note D. Numbers conform to Student-Right-to-Know federal regulations that require an institution that participates in any student financial assistance program under Title IV of the Higher Education Act of 1965, as amended, to disclose information about graduation or completion rates to current and prospective students.
