* Projected enrollments assume that the proportion of students (within school or college) in fall 2008 who matriculated but did not enroll will be the same for fall 2009. Preliminary numbers reflect enrollment as of July 27, 2009.

** Academic indicators are reported according to the school or college affiliation of the major to which the student had enrolled as of July 27, 2009. Actual number of enrolled students will be lower. SAT and GPA may drop slightly.

Numbers for fall 2008 and fall 2009 reflect the reconfigured school/college organization.
