

OIR ENROLLMENT MONITOR

Preliminary Enrollment Information from the Active Registration File

FALL SEMESTER
9/28/2009
FINAL

- Provided for internal monitoring purposes only - not for public release.
- This report shows "registered" students (i.e. students enrolled in at least one course).
- Posting of some transactions (withdrawals, etc.) may lag behind the event.
- The number of entering first-year students excludes Stockbridge.
- Headcounts reported here may be adjusted slightly once clean-up of the census files is completed.
