

Entering First Year Students Survey 2019 Selected Items

UMass Amherst

The 2019 *Entering First Year Student Survey* was administered during summer New Student Orientation (NSO) to the vast majority of domestic first year students. International students and students who attended a One-Day orientation were invited to complete an online version of the survey. Response rates are as follows: in-person NSO administration = 86%, online administration for international students = 34%, online administration for One-Day orientation students = 36%. The overall response rate was 76% (n=4362). This report presents overall results for selected survey items. Results are shown separately for women (W) and men (M) if the difference between groups is approximately ten or more percentage points.
