Explore Nature with Sue Kelly

Families join Sue Kelly, AFC Coordinator to experience being aware of and being an active participant in the outdoors. This is a family fun event and we will use nature’s clues for lots of play and wilderness education. We will begin our walk at Mill River Playground and continue north connecting with the town’s conservation area.

The Special Saturday Series is a program of the UMass Office of Family Resources (OFR) with primary sponsorship by the Office of Family Resources. Visit www.umass.edu/offr for more information. Contact us by email ofr@umass.edu, 545-0865. Mill River Playground is approximately 15 minutes north.
