Addendum #5

Contract Number: UMA17-13
Project Number: 1008485
Speedtype: 159359
Title: Brack Structural Test Facility, Aux Support

The attention of the bidders submitting proposals for the above subject project is called to the following addendum to the specifications and drawings. The items set forth herein, whether of omission, addition, substitution, or clarifications, are all to be included in and form a part of the proposal submitted.

The number of this Addendum (5) must be entered in the appropriate space “B. This bid includes addenda numbered (list all addenda)_____” found on Page 51 – Form for General Bid, and for Page 59 – Form for Sub-Bid “B. This sub-bid includes addenda numbered (list all addenda)_____”.

Item 1: In response to the following question; “Specification section 015000 1.5. A states the GC will need to pay for all power used during the project. Can you please confirm if this is correct. The University has paid for temporary power on all previous projects that we have completed on campus.” The university will not charge the Contractor for power consumption.

Item 2: In response to the following question; “Specification section 312000 1.3. A mentions a unit price for rock removal. However, this is not listed anywhere else in the specifications. Please confirm that the bid will not include any unit prices.” Unit prices will not be required for this project.
