THE BENEFITS The full Benefit Amount is payable for accidental loss of life, two or more members, sight of both eyes, speech and hearing or any combination thereof. "Injury" means bodily injury resulting directly and independently of all other causes from an accident which occurs while the Covered Person is covered under this policy, but not loss resulting from sickness or disease. "Loss" means, with respect to a hand, complete severance through or above the knuckle joints of at least four fingers on the same hand, with respect to a foot, complete severance through or above the ankle joint. The Company will consider it a loss of hand or foot even if they are later reattached. "Benefit Amount" means the Loss amount applicable at the time the entire cost of the passenger fare is charged to a Citibank Corporate Card account. The loss must occur within one year of the accident. If the Insured has multiple losses as the result of one accident, the Company will pay the single largest Benefit Amount.
