Question # 1: For pricing, we will need some form of information on how you want to purchase. We just need an FTE count (such as what you provide Microsoft) so we can put pricing into the proposal. I saw 5,000 clients in the RFP in one section, should we use that number for seats?

Answer # 1: In terms of the volume licensing, we are looking for pricing points at:

- **Less than 1,000 users**
- **Between 1,001 – 2,500 users**
- **Between 2,501 – 5,000 users**
