**University Owned Cylinders:** Some University depts. are interested in utilizing their own cylinders to reduce costs. Each vendor must specify by checking off the appropriate information below:

1. Vendor will accept University provided cylinders: **NO**

**Emergency/Same Day Delivery:**

Would there be an additional charge for emergency, same day delivery? **YES**

If yes, indicate the charge per delivery: **\$ 110.00**

**Hardware Pricing:** (Hardware is defined as all non-gas purchases)

Vendor agrees to give **15%** off all hardware purchases.

**Demurrage Charges:**

Are cylinder demurrage charges different for specialty gases than for compressed gases? **NO**

**Cylinder Rental Rates:**

High Pressure Gases: **\$ 2.50 per cylinder per month.**

Liquid Cylinder Gases: **\$ 23.50 per cylinder per month.**

**Cylinder Annual Lease Rates:**

High Pressure Gases: **\$ 22.00 per cylinder per year.**

Liquid Cylinder Gases: **\$ 200.00 per cylinder per year.**

Special Note: High Pressure Gases include Industrial & Specialty Gases.
