

You must register your PRS clicker in OWL in order to get credit for your PRS answers. Please do this as soon as possible. Simply follow the instructions below.

To register a clicker in OWL:

1. From the Current Course Assignments page in your OWL course, click on the **Clicker Registration** link in the left menu.
2. Click **Add New Clicker**.
3. Read the instructions on the New Classroom Clicker Registration Form page, enter your clicker number, and click **Save Clicker Registration**.

To remove a clicker registration in OWL:

1. From the Current Course Assignments page in your OWL course, click on the **Clicker Registration** link in the left menu.
2. Click **Unregister**.
3. Check off the reason for removal, and click **Unregister Clicker**
