

NEPMA

NEW ENGLAND PEST MANAGEMENT ASSOCIATION

IPM SCHOLARSHIP

The **New England Pest Management Association (NEPMA)** is a trade organization of pest management professionals with a strong orientation towards training and education. In order to promote awareness of **Integrated Pest Management (IPM)** and the professional pest management industry, NEPMA offers **two annual scholarships of \$1000** to **New England students** with an interest in pest management.

The following criteria apply:

Any **Junior or Senior undergraduate student** in a **New England college or university** who has **taken any coursework that promotes Integrated Pest Management** is eligible to apply.

The following should be submitted to **Dr. Craig Hollingsworth, University of Massachusetts** at: chollingsworth@umext.umass.edu

- **Name**
- **Address**
- **Email address**
- **Coursework and grades related to pest management**
- **Related activities**
- **Names and contact information for two personal references**
- **A two paragraph statement describing how your course of study and future career plans are related to IPM**

Applications should be received by Nov 1, 2008
