

## **About Brown Bags**

These sessions will bring together faculty and staff involved in seeking and administering research opportunities on a variety of topics in an informal environment throughout the fall and spring semesters.

These discussions will be led and moderated by representatives of OGCA and the broader research administration community on campus. A few of the sessions will include presentations, but for the most part will remain open discussions.

Bring your lunch and join us from noon to 1:00 p.m. on scheduled dates for sessions that will throw more light on UMASS' policies and requirements for sponsored programs

Unless otherwise indicated on the schedule, all sessions will be held in the OGCA Conference Room, Room 104 Research Administration Building, 70 Butterfield Terrace.

To confirm attendance for a particular session or for further information, please contact Helen Bishop on 413-545-0698, or [hbishop@research.umass.edu](mailto:hbishop@research.umass.edu)

If you have a specific area of interest you would like to have covered in the brown bag series please email a topic suggestion to Helen Bishop. We look forward to working with you!
