

DISCLOSURE OF SIGNIFICANT FINANCIAL INTEREST

FOR INVESTIGATORS SUBMITTING APPLICATIONS TO NATIONAL INSTITUTES OF HEALTH AND NATIONAL SCIENCE FOUNDATION

The following disclosure is made pursuant to the requirements of the PHS rules "Objectivity in Research" (42 CFR Part 50 Subpart F) and NSF rule "The Investigator Financial Disclosure Policy." This disclosure must be updated annually, and whenever new reportable significant financial interests are acquired. University employees are reminded that, in addition to the provisions of this interim policy, activities of state employees are subject to all relevant provisions of Chapter 268A of Massachusetts General Laws, including its prohibition against any financial interest (unless such interest is less than one percent of the stock of a corporation), directly or indirectly, in a contract made by a state agency, in which the Commonwealth or the University is an interested party.

DEFINITIONS: Significant Financial Interest - Anything of monetary value, including but not limited to salary or other payments for services (e.g., consulting fees or honoraria); equity interests (e.g., stocks, stock options or other ownership interests); and intellectual property rights (e.g., patents, copyrights and royalties from such rights), which would reasonably appear to be affected by the research to be funded. This definition specifically excludes financial interests in business enterprises or entities if the value of such interests, when aggregated for the investigator and the investigator's spouse and dependent children, does not exceed ten thousand dollars per annum in salary, fees or other continuous payments; or ten thousand dollars fair market value equity interests.

Investigator - The Principal Investigator and any other person at the University who is responsible for the design, conduct, or reporting of research educational or service activities funded, or proposed for funding, by the PHS or NSF. Typically this will include the Principal Investigator and co-investigators. For the purposes of this disclosure requirement, the term "investigator" includes the investigator's spouse and dependent children.
