

UNIVERSITY OF MASSACHUSETTS AT AMHERST

PARTICIPATION AGREEMENT
-- Faculty and Post Doctoral Members --

In consideration of the benefits that I receive as a result of my access to University-administered funds and University-funded time, facilities, and equipment, I agree as follows:

1. Acknowledgment. I acknowledge that I have read and understood the Intellectual Property Policy (the "Policy") of the University of Massachusetts (the "University"), a copy of which is attached to this Agreement, and I agree to abide by the terms of such Policy, as amended. I understand that capitalized terms used in this Agreement are defined terms that, if not defined in this Agreement, are defined in the Policy.

2. Disclosure. In accordance with Section III. C. 1. of the Policy, I agree to make the following disclosures to the University Office of Commercial Ventures and Intellectual Property ("CVIP") or the Vice Chancellor for Research ("VC for Research"):

- (1) I am encouraged to disclose any Inventions, Copyrightable Works (except Exempted Scholarly Works), and commercially valuable Tangible Research Materials that (i) I develop with significant use of University resources or (ii) closely resemble a specific research project in which I am engaged at the University; however, if I intend to commercialize such Intellectual Property, disclosure is required reasonably before I take any action to commercialize such Intellectual Property. Examples of commercial actions include, without limitation, seeking patent or copyright protection, commencing discussions with potential investors or licensees, or transferring the Intellectual Property to a third party.
- (2) I am required to disclose any Inventions, Copyrightable Works (including Exempted Scholarly Works), and Tangible Research Materials that the University has specifically hired or commissioned me to develop, except as otherwise provided in a written agreement between me and the University; and
- (3) I am required to disclose any Inventions, Copyrightable Works (including Exempted Scholarly Works), and Tangible Research Materials that I develop in the course of research funded by a sponsor pursuant to a grant or research agreement that requires such disclosure, or which is subject to a materials transfer agreement, confidential disclosure agreement, or other legal obligation requiring such disclosure.

I agree to make such disclosures promptly and in reasonable detail on the appropriate University Disclosure Form. In the case of Inventions that I intend to commercialize, I understand that I should make such disclosure reasonably prior to public disclosure of the Invention in order to provide the University with an opportunity to file a patent application.

3. Assignment of Rights. I hereby assign, transfer, and convey to the University all of my right, title, and interest in any Inventions, Copyrightable Works, and Tangible Research Materials for which the University asserts ownership under Section III.B. of the Policy. I understand that the University does not assert ownership of Exempted Scholarly Works unless such works are specifically commissioned by the University or are subject to a contractual obligation that requires assignment. I further understand the

University will ordinarily waive its rights in other Copyrightable Works that the University determines are Scholarly Works. At the request of the University, I agree to execute and deliver promptly a specific assignment to the University of my right, title, and interest to such Intellectual Property, including without limitation any proprietary rights arising from patent applications or copyright registration in the United States and foreign countries. I further agree to supply the University with all information and to execute all documents necessary to obtain and maintain patents, copyrights, or other forms of legal protection for such Intellectual Property. I hereby appoint the University as my attorney to execute and deliver such documents on my behalf in the event that I should fail or refuse to fulfill my obligations under this Section within a reasonable period of time.

4. Income-Sharing: Relinquishment. I understand that, in accordance with Section III.G.1. of the Policy, I will receive a portion of all royalty income and other non-equity revenue derived from the licensing of Intellectual Property that I assign to the University. I will also have an opportunity to receive equity in a company either independently or together with the University (but not both ways). I further understand that, in accordance with Section III.C.3. of the Policy, if the University decides not to commercialize such Intellectual Property, I will have an opportunity to regain title so that I may pursue commercialization of the Intellectual Property.

5. Administrative Procedures. I understand and agree to abide by the administrative procedures for the transfer of Tangible Research Materials and Confidential Information, as set forth in the Policy.

6. Certification by Principal Investigators. I agree to ensure that each person who is subject to the Policy who participates in research at the University under my supervision as Principal Investigator (excluding clerical and non-technical workers) has signed and delivered a copy of this Agreement in accordance with the Policy. I further agree to ensure that all students under my supervision as Principal Investigator have agreed in writing to any contractual restrictions (such as publication restrictions) that are applicable to their research.
