

Managerial Economics Option Requirements

NOTE: Many Resource Economics courses are taught either fall or spring AND all upper level Resource Economics courses carry prerequisites (sometimes several). See page 9 for a summary. You must prepare a plan of study for all semesters through graduation to ensure that you can meet departmental requirements.

1. Students in this option take the following six courses plus four courses selected from the list in Part 2, in addition to the 12 departmental core courses.

ACCOUNTG 221	Introduction to Accounting I
MANAGMNT 301	Principles of Management
RES-ECON 314	Financial Analysis for Consumers and Firms (or FINANCE 301 Corp. Finance)
RES-ECON 452	Industrial Organization in Resource Economics (Integrative Experience)
RES-ECON 453	Public Policy in Private Markets (Integrative Experience)
RES-ECON 428	Managerial Economics (Capstone)

2. Select four courses from the following course list. Other courses not on this list may be substituted with the approval of the Chief Undergraduate Advisor. (Courses with a * cannot be used to fulfill both a required course and a selected course.)
