

**SCHOLARSHIP APPLICATION ANNOUNCEMENT**  
***William M. Knott Scholarship***

Resource Economics Students  
*Food Marketing Economics*  
*Managerial Economics*

The ***Grocery Manufacturers' Representatives of New England, Inc.*** are pleased to announce the availability of the \$1,000 William M. Knott Scholarship. The GMR is a trade association made up of people working in the food processing and distribution industries in New England. The GMR's criteria for the scholarship are that:

1. The student applying is a resident of the New England area and plans to spend her/his working career in the food industry in the New England area.
2. The student is enrolled in a four-year program working toward a Bachelor's Degree with the major field of study relating to the food industry.

The GMR Scholarship Committee considers the applicant's academic standing, financial need, and demonstrated desire to pursue a career in the New England food industry. All students who will be enrolled at UMass Amherst in the fall who meet the above requirements are eligible.

To apply, please submit the following application materials to Julie Caswell (215 Stockbridge Hall).

1. A letter of application addressed to:

Mr. Peter E. Fay, Scholarship Chairman  
923 Hill St.  
Suffield, CT 06078

1. The letter should include basic biographical information, a brief statement of your academic program (field of study, academic achievement, activities, etc.), a discussion of your work experience (especially if food industry related), and a statement of financial need (if appropriate).
2. An essay of approximately 200 words explaining your interest in a food industry career.
3. A copy of your resume.

***Applications are due by April 30.***
