YOU are the TRAIN; we are the tracks. Let us help you stay on track.

You play the game; we are the coach.

You are the painter; we are the paintbrush.

You are the cook; we are the wok.

You are the song; we play backup.

You are the operator; we are the machine.

You are the builder; we are the ladder.

You are the builder; we are the ladder.

You are the operator; we are the machine.

You are the painter; we are the paintbrush.

You are the cook; we are the wok.

You are the song; we play backup.
