Note: As you are aware, we're a classy bunch and thus we must relay this message to our peers and audience. In other words, let's be clean and good humored and not go out of line with our acts. Any act which illustrates an idea deemed inappropriate will be turned away! More importantly, though, HAVE FUN! Be creative! We're looking for a showcase of fun and good times, and we know you can provide that. Please have your applications in NO LATER THAN **Wednesday, November 16** (they will be collected at the Guild meeting!). If you'd like to pass them in sooner, great! Drop them in Samm's mailbox in the Guild office. ☺
