ICE for YOU

ICE is an international cultural organization founded to bring students from different cultures and ethnicities together.

At ICE you can share what you would like everyone to know about your culture while learning about others. You will be able to educate everyone about issues important to you as well as unique facts from your culture.

ICE has many activities and events planned for you this year and hopes to see you soon!

Perspectives...

“ICE is a wonderful club to meet interesting people from different cultures.”

Inna Faktorovich

“ICE was a terrific experience. People are energetic and diverse. I learned so much from the regular coffee houses.”

Wei-Hsuan Hsu

ICE Activities

Some of our activities include:

- **Annual Talent Competition**
  Performers and artists come together to display their talent.

- **Monthly Coffee Houses**
  Students bring food of their country to share with everyone and give insights about their culture.

- **Culture Shock Support**
  ICE helps students who need a peer mentor in adjusting to a different culture.
