INTERESTED IN DOING WHAT OHAG DOES? RUN FOR YOUR 2005-2006 HOUSE COUNCIL!

House Councils are basically a local event planning board. Orchard Hill has three of them: Grayson/Field, Dickinson, and Webster House Council, designed to plan events for their building, whereas OHAG plans events for all 4 buildings. The time commitment is whatever you want it to be: you can constantly plan events or plan one big one. There are four available positions for each House Council: **President, Vice President, Treasurer, and Secretary**. It’s almost time to pick up nomination forms and you should think about running for your House Council for the 2005-2006 school year! **No experience needed! Looks great on resumes! Great way to make a big difference locally!** Look for posters and deadlines coming soon!
