One Fish, Two Fish, Red Fish, Blue Fish

We kicked off our beginning of the year fundraiser in the first week of school. The SWAG team began by rounding up all of the beta fish that we could find in hopes of being able to sell them to any students looking for a new non-furry little friend. Whether you desired one fish, two fish, a red fish, or a blue fish, we have them. There are still some fish left if anyone is interested. Contact the SWAG office if you are interested. A special thanks goes out to everyone that gave these fish a home.

SWAG WOULD LIKE TO WELCOME NEW AND RETURNING STUDENTS!

"Never doubt that a small group of people can change the world. Indeed, it is the only thing that ever has."

SOUTHWEST SATURDAY EXTRODINAIRE

Our first mission of the year was to plan the annual Southwest Saturday event. The Swaggers met and pulled together their neurons to put on an entertaining day for all to enjoy. Along with free hot dogs, hamburgers, and veggie burgers, everyone was able to listen to the likes of Six Day Slide and Vocal Suspects. A special thank you goes to the Berkshire DC for their generous donation of food for our event.

FRANK SANTOS, New England's Premiere Hypnotist and innovative comedian has been mesmerizing audiences for over 21 years. His spectacular display of mind bending antics can turn any skeptic into a fan. His act is always fresh, racy, and like the swirls of a fingerprint, no two shows are the same. The audience becomes the show. When Frank performs, you are not merely an idle bystander vicariously absorbing an out-of-date comedy routine. This is the only show where you can **FALL ASLEEP, FALL IN LOVE, BECOME A STUD, LOSE YOUR WEEWEE**, and awake feeling well rested and completely refreshed.

SWAG would like to congratulate the new senators of Southwest!
