

## INTRO TO WALL STREET

---

Come to an info-session at **School of Management 112, Wednesday October 8 at 5:30pm** to learn more about how investment banks raise money for companies, the strategic financial tools they use, and how you can be a part of the most dynamic industry on Wall Street.

---

What: **Investment Banking**  
Overview and  
Information Session

When: **Wednesday, October 8**  
5:30 – 7:00pm

Where: **SOM 112**

All are welcome!

Food will be provided.

- **Ever wonder** what people mean by “Wall Street”?
  - **Have you read** about two companies merging but wondered how the whole deal came together?
  - **Do you feel** that you could work with companies to invest in new technologies and projects?
- 

### **Chris McCabe, UMass Amherst '81 (Political Science)**
