The STEM Diversity Institute welcomes you to our first Research Opportunities Fair for STEM Majors from Underrepresented Groups

4-6:30: Throughout this event, you will have the opportunity to meet with leading institution representatives to

- learn about the numerous opportunities for you to gain valuable resume-building lab and research experience whether or not you plan to undertake Ph.D.-level study
- discover how to apply for paid summer internships
- to find out what financial support is available for you to undertake a Ph.D.

4-6:30 Meet with current graduate students

- to learn first-hand about the “how” and the “why” for gaining lab research experience
- the “how” and the “why” for finding good academic and financial support to undertake Ph.D.-level study

7:00: Raffle Draw----------------- $25 Amazon gift certificates

- Light buffet and refreshments are provided •
