

Minutes of Rules Committee Meeting on Monday, June 9, 2003

The meeting opened at 10:35 a.m. in the Whitmore Administration Building Board Room. Those present: Roland Chilton (chair), Richard Bogartz, Arthur Kinney, Ernest May, Jerome Mileur.

- 1. The minutes for the meeting of 23 May were approved.**
- 2. A motion to combine Senate Districts for Geosciences and Mathematics and Statistics into a single District (#16) and the Senate Districts for Physics, Astronomy, and Biology into a single District (#19) was approved unanimously. There was some discussion about eventually moving to College, rather than Departmental, redistricting but that would involve a by-law change and be a rather distant evolution.**
- 3. The restructuring of the Senate office staff was discussed.**
- 4. The next meeting of the Rules Committee will be on Monday, June 23 with the administration if they are available.**

Respectfully submitted,

Arthur F. Kinney
