Since 2003, NRC 212 “Forest Botany” has been taught as a 2-credit field lab course for majors only. The department and the Council agree that the General Education designation is no longer appropriate for this course.

**MOVED: That the Faculty Senate approve that the General Education designation “BS” be
44-05 withdrawn from NRC 212 “Forest Botany,” as presented in Sen. Doc. No. 05-039.**
