
1. The minutes of September 17, 2014 were approved.

2. The Concentration in Entrepreneurship and Innovation Management was reviewed and approved. All courses are currently offered.

3. Bryan Harvey provided an overview of the JTFSO unit planning information available to the schools and colleges. Unit planning is currently underway as part of the JTFSO and the datasets provide support in formulation of the college plans. Data includes student surveys of their UMASS experience, productivity of departments and other info. The information is available via the website: https://www.umass.edu/oir-dept-review/ (cut and paste into your browser as login is required).

Meeting adjourned at 5:10 p.m.
