

Rules Committee Minutes

May 23, 2014

Present: Bryan Beck, Anne Benz, Marilyn Billings, Richard Bogartz, Steven Brewer, MJ Peterson, Chair, Ralph Whitehead

- 1. Minutes of the April 25th Rules Committee meeting were approved and the minutes of the April 11th Rules Committee were later approved through an email consultation because the draft was incomplete and the minutes had to be reconstructed.**
- 2. Faculty members were identified for the Diversity/Internationalization Effort.**
- 3. The *Chronicle of Higher Education's* article on Stanford's Fossil Fuel Divestment was discussed which focused mainly on how limited their measure was (coal-only and then only if coal was a majority of the company's business).**
- 4. Members thanked Bryan Beck for his service to the Faculty Senate and wished him good luck in his new job in Academic Planning and Assessment.**
