City of Newton
Job Posting

**Position Title:** Environmental Health Inspector

**Department:** Health and Human Services

**Salary Range:** $52,017 - $69,907  
**Grade:** S08  
**Union:** AFSCME 3092

**Department Head:** Deborah Youngblood

**Date of Notice:** 3/8/17

**Position Overview:**

The City of Newton is looking for a motivated, energetic environmental health inspector to join our team. Health Inspectors are responsible for a wide variety of work focusing on the connections between people and their environment to promote well-being. Inspections are conducted throughout Newton in restaurants, housing, schools, pools and other facilities to ensure conformance to health regulations mandated by state government, local ordinances/regulations and relevant public health and safety codes.

Successful candidates must have excellent communication, organizational and computer skills and a background in public health and/or environmental science. Certification in food safety, housing, septic, and certified pool operator a plus but can be obtained as part of employment.

Flexible hiring from new college graduates to seasoned inspectors, all interested parties encouraged to apply.

Environmental Health inspectors are part of a robust Health and Human Services department with a collaborative multi-disciplinary team environment in high performing municipal setting.

**Position Responsibilities:** Responsible for conducting primarily sanitary inspections of selected food and beverage service establishments, food preparation, production, storage, sale or distribution establishments, schools, recreational and swimming pools, funeral establishments, and other facility and/or site inspections for conformance to and violations of accepted health regulations, maintaining and promoting community health. Enforces various state government, municipal ordinances and other regulations, and sanitary and environmental codes regarding public health and safety.
**Qualifications:** Bachelor’s degree and three to five years of related experience and/or training or equivalent combination of education and experience. Knowledge of sanitary and health science or administration.

Valid Massachusetts Driver’s License is required.

Individuals interested in this position must submit a completed application, cover letter and resume through [https://cityofnewton.hirevue.com](https://cityofnewton.hirevue.com)

**The City of Newton is an Equal Employment/Affirmative Action Employer**
