Sunday, June 12, 3-6 p.m.

Discussion topic: The "-isms" in the Trans Male Community: Sexism, Racism, Classism

"This meeting will be a good opportunity to take stock of our own attitudes and beliefs about others along lines of gender, race, and class, as well as to discuss our experiences with woman-hating, racism, and class oppression within the trans masculine community.

Please note that East Coast FTM Group meetings are now specifically for FTMs only, meaning the full spectrum of masculine-identified, female- or intersex-born persons in the transgender and gender non-conforming community. This includes FTM transgender persons, FTM transsexuals (non-op, pre-op, and post-op), FTM cross-dressers, gender queers, stone butches, gender blended, queer, and questioning."

#### 4. [Call for Proposals: Translating Identity Conference](#)

October 22, University of Vermont

"The Translating Identity Conference and Free To Be student organization of the University of Vermont are proud to announce the 10th Translating Identity Conference (TIC), a one-day conference focusing on gender and gender identities. Conference registration will be free and open to the public. This event hopes to reach out to the University of Vermont, Burlington, and broader communities and educate us all further about transgender and gender identity topics as well as their intersections with other identities. With multiple panels to choose from at any time, some panels will be directed towards trans people, their partners, and allies; while others will be for those who are fairly unfamiliar with the transgender movement and the topic of gender identity. This conference seeks to translate gender identity to both the queer community and its allies."

To submit a session proposal: <http://www.surveymonkey.com/s/F99GN39>. The deadline for submissions has been extended to June 13. For more information: [tic@uvm.edu](mailto:tic@uvm.edu).
