ALL FOR $50 PER MONTH

GET TO KNOW THE NISSAN LEAF®

• 100% electric – no gas required. Average gallon of gas across the Nation = $3.70, in a Nissan LEAF you can drive 25 miles for $1.02
• Charge your Nissan LEAF at home overnight or at work – no more visits to the gas station
• At $0.11/kWh, Drivers report nominal increase of $10 - $20 per month in electricity
• Based on reference found in http://www.fueleconomy.gov/

READY TO GO ELECTRIC?

CARWINGS™ requires compatible 2G GSM/GPRS cellular network provided by independent cellular companies not within Nissan’s control. 2G cellular network not available in all areas. In areas with 2G network coverage, signal strength may vary and/or not be available at all times. Cellular technology is evolving, and changes to cellular networks may affect future CARWINGS™ functionality. Ask your cellular network carrier for details on anticipated 2G network availability in your area and how this may affect your planned usage. Should a cellular provider terminate or further restrict network service, CARWINGS service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan is not responsible for equipment replacement or upgrades, or associated costs, that may be required for continued CARWINGS operation due to cellular network changes. Certain remote functions require compatible smartphone, not included with vehicle. CARWINGS subscription service requires owner consent to activate. Subscription service for first 36 months included in vehicle price. Subscription available for purchase thereafter. Standard text rates and/or data usage may apply to CARWINGS communications received by email or SMS/text message.
