

UMASS Theater Major Questionnaire

The Department of Theater is creating a system in which each major will be paired with a faculty advisor in an area of interest. Below is a list of curricular areas currently taught in the Department. Please check one or more areas of interest. You are welcome to rank these areas as well (1=top interest, 2=second interest, etc.).

Your responses will assist us in matching you to an advisor who shares your interest.

Name:

SPIRE number:

Email:

Projected year of graduation:
