DESCRIPTION OF COVERAGE

THE PROGRAM

As a U.S. Bank Travel Cardholder* or Authorized Traveler* on a U.S. Bank Central Travel System (CTS) account, you, your accompanying spouse and your accompanying dependent children and any Authorized Users of the account (“Insured Person(s)”), will be automatically insured traveling worldwide while on the business of your employer (designated organization), against an accident or injury that is the sole cause of loss of life, limb, sight, speech or hearing while riding as a passenger in, entering or exiting any Common Carrier, if you charge the entire cost of the Common Carrier passenger fare(s), less redeemable certificates, vouchers or coupons, to your U.S. Bank commercial account or a U.S. Bank CTS account (“Account”). Frequent flyer and non-revenue Common Carrier passenger fares must be redeemed by 1) the commercial Cardholder; or 2) an authorized agent of the designated organization for use by a commercial Cardholder or Authorized Traveler of the designated organization while on the business of your employer.

“Common Carrier” means any land, water, or air conveyance operated under a license for the transportation of Passengers for hire. Common Carrier does not include any conveyance that is hired or used for a sport, gamesmanship, contest, sightseeing, observatory and/or recreational activity, regardless of whether such conveyance is licensed.

“While on the business of your employer” means while on assignment by or at the direction of your employer for the purpose of furthering the business of your employer, but does not include any period of time: 1) while you are working at your regular place of employment; 2) during the course of everyday travel to and from work; 3) during an authorized leave of absence or vacation.

Coverage begins on the following: 1) if the entire cost of the Common Carrier passenger fare is charged to your Account at the airport, terminal or station immediately before departure on the Common Carrier, coverage begins at the time such charge is made; or 2) if the entire cost of the Common Carrier passenger fare is charged to your Account prior to departure for the airport, terminal or station and transportation to the airport, terminal or station is provided by other than a Public Conveyance, coverage begins upon arrival at the airport, terminal or station immediately

preceding departure of the Common Carrier; or 3) if the entire cost of the Common Carrier passenger fare is charged to your Account prior to departure for the airport, terminal or station, and transportation to the airport, terminal or station is provided by a Public Conveyance, coverage begins while riding as a passenger in, entering, or exiting any such Public Conveyance, but only while traveling directly to the airport, terminal or station, immediately preceding departure of the Common Carrier. “Public Conveyance” means any land only Common Carrier, including taxi, bus, train or airport limousine, but not including courtesy transportation provided without a specific charge.

Coverage ends on the following: 1) if traveling from the airport, terminal or station on a Public Conveyance, coverage ends when alighting from any Public Conveyance after departing from the airport, terminal or station immediately after arrival on the Common Carrier; or 2) if traveling from the airport, terminal or station using other than a Public Conveyance, coverage ends when departing from the airport, terminal or station immediately after arrival on the Common Carrier.

ELIGIBILITY

This Common Carrier travel accident insurance coverage is provided to you, a U.S. Bank Commercial Cardholder or Authorized Traveler on a U.S. Bank Central Travel System (CTS) account automatically when the entire cost of the Common Carrier passenger fare(s) is charged to your Account while this insurance is effective. It is not necessary for you to notify U.S. Bank, the Program Administrator, or the Company when Common Carrier tickets are purchased.

THE COST

This Common Carrier Travel Accident Insurance Program (“Program”) is provided at no additional cost to U.S. Bank Commercial Cardholders or Authorized Travelers on a U.S. Bank Central Travel System (CTS) account.

BENEFICIARY

The loss of life benefit is paid to the beneficiary designated by the Insured Person. If no such designation has been made, or if no beneficiary is living on the date of the Insured Person’s death, that benefit will be paid to the first surviving beneficiary in the following order: a) the Insured Person’s spouse; b) the Insured Person’s children; c) the Insured Person’s parents; d) the Insured Person’s brothers and sisters; or e) the Insured Person’s estate. All other indemnities will be paid to the Insured Person. If you

desire a specific beneficiary other than as designated above, notify the Program Administrator, at the address below. The beneficiary designation supersedes any previous notification you may have made.

THE BENEFITS

The full Benefit Amount of \$500,000 is payable for accidental loss of life, two hands or two feet, sight of both eyes, one hand and one foot, one hand or one foot and sight of one eye, speech and hearing in both ears or any combination thereof. "Injury" means bodily injury resulting directly and independently of all other causes from an accident which occurs while the Insured Person is covered under the Policy. One half of the Benefit Amount is payable for accidental loss of: one hand, one foot, sight of one eye, speech or hearing in both ears. One quarter of the Benefit Amount is payable for the accidental loss of the thumb and index finger of the same hand. "Loss" means, with respect to a hand, complete severance through or above the metacarpophalangeal knuckle joints of at least four fingers on the same hand, with respect to thumb and index finger, complete severance through or above the metacarpophalangeal knuckle joints of both fingers on the same hand, with respect to a foot, complete severance through or above the ankle joint; with respect to eye, total and irrecoverable loss of the entire sight in that eye; with respect to hearing in an ear, total and irrecoverable loss of the entire ability to hear in that ear; with respect to speech, total and irrecoverable loss of the entire ability to speak. The Company will consider it a loss of hand or foot or thumb and index finger of the same hand even if they are later reattached. "Benefit Amount" means the maximum amount applicable at the time the entire cost of the passenger fare is charged to your Account. The loss must occur within one year of the accident that caused the injury. If the Insured Person has multiple losses as the result of one accident, the Company will pay the single largest Benefit applicable to the losses incurred. In no event will duplicate request forms or multiple charge cards obligate the Company in excess of the stated Benefit Amounts for any one loss sustained by any one individual Insured Person as the result of any one accident.

Note: Maximum benefits for any one single accident are limited to a \$50,000,000 aggregate for all Insured Persons of U.S. Bank combined under the Policy. Benefits will be paid to each Insured Person on a proportionate basis up to this aggregate limit of liability.
