Your Application for Financial Aid was selected for Verification, a required federal process. In this process, the University will compare information from your Free Application for Federal Student Aid (FAFSA) to signed copies of your and your parent(s) 2008 Federal tax forms or other financial documents. If changes result from this review, you will receive a new Student Aid Report (SAR). The University is required to review this information under the financial aid program rules (CFR Title 34, Part 668). **We cannot evaluate your eligibility for federal aid until you have submitted all required verification documents. If any information is left blank we will assume zero (unless otherwise indicated on you or your parent(s) 2008 federal tax return, or you are a non-filer). Failure to submit all required paperwork will delay the processing of your financial aid award.**

Note that any financial aid awarded prior to verification is tentative and subject to final approval. The Financial Aid Office has the right after reviewing your verification information to change or cancel your awards. Changes in funding, administrative/technical errors, changes in application information, enrollment status or reclassification in residency will affect your financial aid awards and may result in a revised award.
