

**Women, Gender, Sexuality Studies Program
University of Massachusetts Amherst
Graduate Certificate in Advanced Feminist Studies
Final Research Project Completion Form**

In addition to the course work, all certificate students must complete a Final Research Project, WOMENSST 793A: (i.e., thesis, dissertation, paper of publishable quality, independent study that incorporates substantial feminist content – theory and methods).

NAME: _____

Date of Completion: _____

FINAL PROJECT TITLE:

- The project has incorporated substantial feminist content (in theories and methods)
- It employs an integrative analysis (locating women and gender in its intersections with race, ethnicity, class, sexuality, nationality and other relevant social variables)
- It uses an interdisciplinary perspective
- The paper is of publishable quality or a chapter of a dissertation, a research paper or in a discipline appropriate format approved by the project committee.
