“Incomplete” Report Form

A copy of this form must be completed and submitted to the Writing Program main office for every student who receives an “Incomplete” on the final grade roster. Note: You must contact either the WP director or WP ombuds officer before submitting this form and granting the Incomplete. See the Instructor’s Handbook (“Evaluation” section) for more information.

Please comply with the following University policies on granting incompletes:

1. An “Incomplete” should be given only in cases when a student has satisfactorily completed most of the required work for a course.
2. A student is expected to make up an “Incomplete” by the end of the following semester.
3. If the student has not completed the work by the end of the following semester the grade automatically turns into an “F.” Instructors wishing to extend the deadline must inform the Registrar’s office in writing of the new date of completion.
