This optional (not mandated) two-day workshop is designed to help individuals prepare for the pesticide applicator license exam. Topics that will be covered are:

- Pests Identification
- Pesticide Types and Formulations
- Pesticides and Human Health
- Pesticide Label
- Pesticides and the Environment
- Integrated Pest Management
- Pesticide Laws and Regulations
- Practice Exam

**Dates & Location**
See next page.

**Time**
1st day 8:45 AM – 4:30 PM
2nd day 9:00 AM – 4:30 PM

**Registration Fee**
$145.00/person (This covers the cost of the workshop only w/ AM & PM breaks. Study manuals and exam fees are not included.) If you choose to register online using a credit card there will be an additional service fee of $11.00.

**Registration Information**
Pre-registration is required. Please register early to get your preferred date. Use the registration form attached (or register via our website)

**Study Manuals Needed**
All attendees are required to bring the current Pesticide Applicator Core Manual (new 3rd ed.), the Massachusetts Core Supplement (2014), the Massachusetts Pesticide Control Act (May 2000), and the Massachusetts Pesticide Regulations (2010). These are the study manuals that you will need to take the applicator license exam.

**Special Accommodations**
Please contact the Pesticide Education office as soon as possible if you require any special accommodations for the two-day workshop.

**Refunds**
There will be no refunds in the event that an individual cannot attend a workshop. Instead, another individual may take his/her place, or he/she can attend another workshop (provided that there is enough room). Notify the Pesticide Education office in advance of the meeting date if either of the above options is selected.

**Cancellations**
To determine whether or not a meeting is cancelled due to bad weather, call the Pesticide Education office. We reserve the right to cancel a workshop if there are less than 12 people pre-registered. If the meeting is cancelled, registration fees will be refunded.

**Confirmations**
If the Pesticide Education office receives your registration 10 days prior to the workshop, we will send to you a confirmation letter that has additional meeting information and directions.

**Other Information**
This workshop is optional. It is offered in order for you to have an opportunity to discuss questions that you have regarding the study manuals. Therefore you should read the study manuals prior to attending the workshop. This workshop will not cover information in the certification manuals.
