ADDENDUM # 2

Re: Project: UMAPP14-034
W.O. #: 12-042031-000
Account: 144653
Title: Campus – Alumni Memorial Walkway

The attention of bidders submitting proposals for the above subject project is called to the following addendum to the specifications and drawings. The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the proposals submitted.

THE NUMBER OF THIS ADDENDUM (2) MUST BE ENTERED IN THE APPROPRIATE SPACE “B” PROVIDED AFTER THE WORD “NUMBERED (LIST ALL ADDENDA)” ON PAGE 23, ATTACHMENT B, BID FORM.

Item #1: A question has been generated because of Addendum #1:

“I just saw Addendum #1, and it did not change the scope from the original bid documents. I assume then that the scope DOES include the bollards and the new walk construction all the way to the edge of the FAC building? This is contrary to what I understood from the pre-bid meeting.”

Answer: We are taking out the bollards from the scope and shortening the sidewalk.

Item #2: Reference the contract Specifications, page 2, paragraph B: Remove “furnish and install two removable bollards” from the paragraph.

Item #3: Reference the contract Specifications, page 2, paragraph B, subparagraph #3. South of Section A-A: Include: The work shall include South of Section A-A to a perpendicular sawcut and matched line at grading marker 222.88 on Grading Plan L102.
