Rev. 09/04
Request for Quotes: - Concrete Recycling

Scope of Services
The Office of Waste Management (OWM) is requesting quotes from vendors to recycle used concrete, brick and cement block. These material stockpiles are located at 151 Tillson Farm Rd. in Amherst and may be viewed during normal facility hours: 7 a.m. and 2:30 p.m., Monday through Friday. OWM does not manage all concrete waste generated on campus. A significant quantity is managed privately by construction contractors per the terms of their UMass contracts.

Concrete is concrete slabs from decking, sidewalks, patios and light poles and sometimes includes re-bar and metal pipe from light post slabs. This material includes some brick and other masonry wastes. Estimated volume is 50-150 cubic yards annually. Material is located at Waste Recovery and Transfer Facility (WRTF) – 151 Tillson Farm Rd., Amherst.

Contract Duration
This contract shall be in effect for the period of: date of award through one year with an option to renew for two additional 12 month periods.

For questions on this bid or to view the material please contact Brian Carroll, Facility Operations Manager at (413) 577-3014
