Fall 2015 Final Exam Matrix

The first column is the exam start times. The other cells have Fall 2015 class start times or specific classes. The 6:00 pm exam start time will be used for all classes that start after 4 pm and non-standard class times.

NOTE: this exam matrix is ONLY for Fall 2015. Each semester the exam times will change to make sure there is equitable distribution and to prevent the same classes being on the last day/last time slot every year.
