To ensure your space in the fall 2018 class, the enrollment fee must be paid by May 1. You will be able to confirm receipt of your enrollment fee on your SPIRE admitted student page using your NetID and password.

NOTE: If you need to know your financial aid award and have not received this information by May 1, contact an admissions counselor at 413-545-0222.

ENTERING FIRST-YEAR STUDENTS
FALL 2018

CONGRATULATIONS
AND WELCOME
TO THE
UNIVERSITY OF
MASSACHUSETTS AMHERST!

INTENTION TO ENROLL

Take the following steps to accept our offer of admission.

1. Verify your personal information on your SPIRE admitted student’s page using your NetID and password.

2. Pay the nonrefundable $500 enrollment fee with an electronic check or with a major credit card on the university’s QuikPAY system. There is a link to the QuikPAY site on the admitted student’s section of our website (umass.edu/admissions). You will need to enter your eight-digit SPIRE ID, which is located in the personal information section on your SPIRE admitted student’s page. Please indicate your housing plans on the QuikPAY site.

   [NOTE: While there is no convenience fee for e-check payments, there is a 2.7 percent convenience fee for credit card payments.]

3. International students should read important next steps here: umass.edu/admissions/admitted-international-students
Advising and registration occur at New Students Orientation (NSO) programs that are held in June and July. Once we have received and processed your enrollment fee, you will be able to register online through the NSO website (umass.edu/newstudent). In order to sign up for orientation, you will need your NetID and password. You will receive an email confirmation of your orientation session date shortly after completing your online registration.

Before classes start, you will return to campus to participate in Fall NSO, which takes place over Labor Day weekend. You’ll participate in New Students Convocation, become familiar with campus, get to know your classmates, and participate in specific programs offered by our schools and colleges.

FINANCIAL AID
UMass Amherst uses the Free Application for Federal Student Aid (FAFSA) to determine eligibility for federal, state, and institutional funds. The FAFSA is available online at fafsa.ed.gov. UMass Amherst’s federal school code is 002221. To apply for financial aid, file the FAFSA by March 1. When completing the FAFSA, the name and Social Security number on your admissions application and FAFSA form must match the name and number on your Social Security card. If you already completed your FAFSA for another college and did not include UMass Amherst on the list of colleges, you must go back and request that the FAFSA information be sent to UMass Amherst. We also recommend that you monitor your “To Do List” in SPIRE self-service to determine whether there is additional information needed to establish your eligibility for financial aid.

BILLING
UMass Amherst electronically bills students. Your bill will be posted to the “Finances” section of SPIRE self-service in early July, with payment due in early August. You will receive an email in your UMass student email account letting you know when the bill is available to view on SPIRE. If someone else is helping to pay your bill, set that person up as an authorized payer in the QuikPAY system. More information on QuikPAY is available at umass.edu/bursar/bill-and-payments.

HOUSING
Entering first-year students are required to live on campus unless they commute from home. In May, you will receive a housing information packet which includes information about the residence hall contract, the roommate selection process, residential areas, and residential academic programs. You will have an opportunity to tour residential areas and to finalize housing selection during Summer New Students Orientation. Sign-up for Residential Academic Programs (umass.edu/rap) will begin mid-May. Go to umass.edu/newstudent to register.

TRANSCRIPTS
Arrange for the Admissions Office to receive your final official high school transcript with graduation date notation, which is required of all entering first-year students, by June 30, 2018. If you have completed AP exams or college coursework, request that an official score report or transcript be sent as well.

DISABILITY SERVICES
If you have a learning or other disability and would like more information on the services available to UMass students, please contact the Office of Disability Services, 161 Whitmore Administration Building, 413-545-0892. You will be required to provide appropriate documentation regarding your disability.

MAINTAINING ACADEMIC PERFORMANCE
Admission is contingent upon maintaining your current level of academic performance. It is your responsibility to notify the Admissions Office of any significant decline in academic performance or additional disciplinary/criminal history that occurs after the submission of your application. UMass Amherst reserves the right to rescind admission based on this information.
ADMISSION TO SELECTIVE MAJORS

Acceptance into the following majors is based on the number of spaces available, prerequisite coursework, and/or academic performance. More detailed information will be available during New Students Orientation advising and course registration.

BACHELOR’S DEGREE WITH INDIVIDUAL CONCENTRATION (BDIC)
Admission is selective and is decided by a faculty committee based on the student’s academic qualifications and suitability of the intended area of concentration. Upon enrollment at UMass Amherst, students apply for admission to BDIC’s Proposal Writing Class (BDIC 396P). To be eligible, students must have already completed, or currently be registered for, at least 15 credits and have a minimum GPA of 2.5. In addition to the application, students must submit a transcript and a brief essay describing the intended area of concentration. For more information, visit: bdic.umass.edu.

COMPUTER SCIENCE
Admission is highly selective. Applicants with a strong academic record in math through precalculus are given priority.

EDUCATION
The early childhood and elementary education programs have selective admissions. Students apply to these programs upon completion of prerequisite courses, generally in the spring of their sophomore year. Secondary certification requires education coursework in addition to the academic major. For more information, visit: umass.edu/education/educator-licensure/guide-to-programs.

ENGINEERING
Admission is highly selective. Majors in the College of Engineering require a strong academic record in math and science, including chemistry and physics. Admitted first-year students are granted general admission to the college, and at the end of their first year, they choose a specific engineering major.

ISENBERG SCHOOL OF MANAGEMENT
Admission is highly selective. Students admitted to the Isenberg School of Management are offered general admission. They are required to have a strong academic record in math through precalculus. At the end of their sophomore year, students apply for admission to a specific major: accounting, finance, management, marketing, or operations and information management. Students graduate with a bachelor of business administration degree. The hospitality and tourism management major has different admission requirements, with students graduating with a bachelor of science degree.

NURSING
Admission to the College of Nursing is highly selective and restricted to first-year students.

SPORT MANAGEMENT
Admission to the Mark H. McCormack Department of Sport Management in the Isenberg School of Management is based on the strength of the applicant’s overall record and sport management-related activities. Applicants also must have a strong academic record in math through precalculus.

ESTIMATED ACADEMIC YEAR COSTS 2017–2018
For a full list of costs, visit umass.edu/bursar.

International students should read the visa information and degree expense estimates at umass.edu/ipo/iss/international-student-expense-estimates.

DECLINING OUR OFFER OF ADMISSION

If you decide to decline our offer of admission, notify us by email at admreq@admissions.umass.edu. Include your name, date of birth, and your intention to decline our offer of admission.

THE CLERY ACT COMPLIES WITH FEDERAL REGULATIONS AND THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT. A COPY OF THE UNIVERSITY OF MASSACHUSETTS ANNUAL SECURITY REPORT IS AVAILABLE ONLINE AT UMMASS.EDU/UMPD/DOCUMENTS. A HARD COPY OF THE REPORT MAY BE OBTAINED BY CONTACTING THE UMASS AMHERST POLICE DEPARTMENT AT 413-545-2225. THIS REPORT INCLUDES CRIME STATISTICS FOR THE PREVIOUS THREE YEARS, AS WELL AS INSTITUTIONAL POLICIES ON CAMPUS SECURITY.

THE UNIVERSITY OF MASSACHUSETTS AMHERST PROHIBITS DISCRIMINATION ON THE BASIS OF RACE, COLOR, RELIGION, CREED, SEX, SEXUAL ORIENTATION, AGE, MARITAL STATUS, NATIONAL ORIGIN, MENTAL OR PHYSICAL DISABILITY, OR VETERAN STATUS IN ANY ASPECT OF THE ADMISSION OR TREATMENT OF STUDENTS OR IN EMPLOYMENT.
