

Setting up your email on iPhone after being migrated to 0365

For best result, download the Outlook App from the App store. You will need your iCloud password:

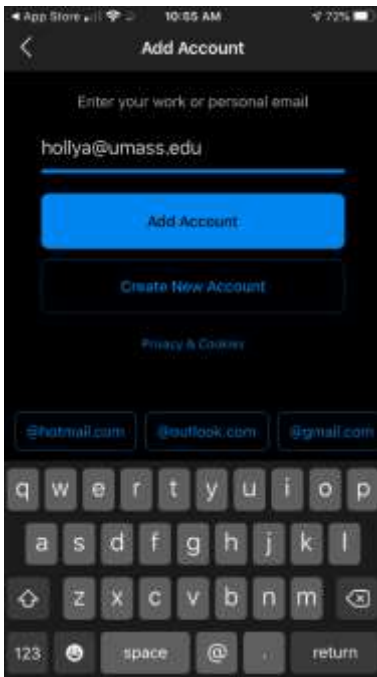

Launch the App and choose the + or add an account:

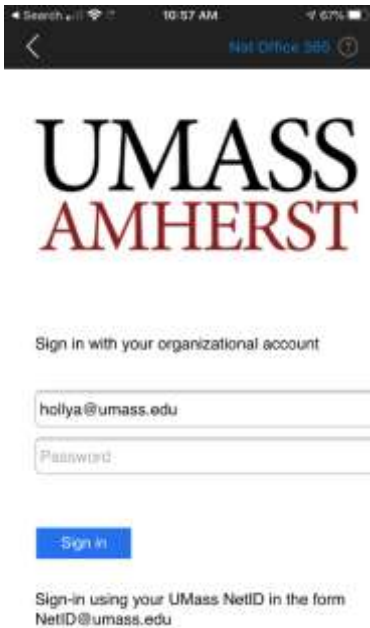

If it asks which type of account Office 365

Put in your Umass NetID@umass.edu

You will get taken to a Umass Branded page to log in:

Log in with the same password you use for your computer.

If multifactor is on for your department you will get a DUO prompt when you set up your account on your phone.
