

Other requirements (the fine print):

- Majors may not take anthropology courses on a pass/fail basis
- Only one of the following two courses counts toward the major: Anthropology 104 - Culture, People & Society, or Anthropology 106 - Culture through Film
- No more than 6 credits of internship may count toward major credits
- Transfer students must complete at least 15 anthropology credit hours within our department
- Anthropology courses taken in the four colleges count as departmental courses
