Undergraduate Studio Occupancy Rules

COMPLETE MANDATORY TRAINING

- Every student must pass certified training through the Office of Environmental Health and Safety before moving into assigned studio space.

TO INSURE THE HEALTH AND SAFETY OF ALL COMMUNITY MEMBERS:

- If you have an emergency, please call UMass Police from a landline at 545-3111, or 911 (Northampton Police will answer), or the Physical Plant Help Desk for building emergencies, at 545-6401.

- Studios and technical shops are to be used only for art practice.

- Students may not sleep overnight in studios.

- Students may not share or reassign studios.

- Only individuals with authorized card access may use the facility after regular after-hours.

- In fairness to the many students seeking limited studio space, students are expected to use their studios on a regular basis. Unused or underused studios will be reassigned.

- Personal electrical appliances—such as portable heaters, refrigerators, and hot plates—are not permitted in studios and will be confiscated.

- EATING IS NOT PERMITTED IN STUDIOS.

- Smoking, consumption of alcoholic beverages, and illegal drug use is prohibited.

- No Pets.

- Damages to or theft of artwork and/or personal property is not the responsibility of the University of Massachusetts or the Department of Art.

- Studios are the property of UMass and the Department of Art and may be inspected at any time for emergency maintenance, repair or as needed by the Department.
