

BDIC Students, Faculty, and Alumni gathered at the Marriot Center on Sunday, March 3rd for the Third Annual Alumni Networking Event. Hosted by the BDIC Student Advisory Board, this event is offered each Spring to give our current students an opportunity to network with some of our Alumni and each other. Guest Speaker Caroline Gould from the UMass Career Services Office introduced the importance of networking and prepared our students before the luncheon began with tips to succeed.

This year, students were introduced to eleven of our Alumni: Cynthia Espinosa '11 (Sustainable Food Management), Kendra Dean '12 (Sustainability Education through Cultural and Environmental Studies), Paul Fattaruso '99 (Creative Writing), State Senator Stanley Rosenberg '77 (Community Development & Arts Management),

Megan Kolb '09 (Performing Arts Management), Corinna Moebius '89 (Communications & Anthropology), Susan Klein (Theatre Arts in Education), Curtis Sarkin '12 (Writing in Natural History and Cultural Perspectives), Sarah Hill '10 (International Real Estate and Entrepreneurship), and Alex Phillips '99 (Creative Writing).

This event is just one example of how the BDIC Student Advisory Board works to create opportunities for students to build a stronger BDIC Community. Any student interested in being involved with the Student Advisory Board and any Alumnus interested in partaking in the Spring 2014 Alumni Networking Event should email Emma Mulvaney at emulvane@student.umass.edu.
